

is a network of visual artists who have banded together to support the same goals: to create, share and learn art, and have fun doing it.

Our emphasis is plein air painting. Other activities include member exhibits and opportunities to share ideas, knowledge and skills with others.

p-ART-ners seeks members who are passionate about their art, particularly those who are willing and able to volunteer time to the organization.

Application for membership is open to artists 18 years or older working in these media: painting, drawing, mixed media, printmaking or collage.

New members are juried in. We have two types of membership; signature and associate. Signature members are required to:

- be a productive member of the board or a committee.
- produce new art work each year.
- participate in public art exhibits.

Associate members are those who support the Network's goals but prefer not to meet the signature member requirements. All new members begin as associates.

Annual dues are \$20 for signature members, \$30 for associate members. Members who wish to display their art in p-ART-ners sponsored shows pay an **additional** exhibit fee; \$25 for signature members, \$35 for associates.
