# 12<sup>th</sup> Annual *Paint!* MANASSAS

September  
2018

This year's *Paint!* Manassas takes place September 4-30. Selected works will be exhibited in October. At least \$500 in cash awards will be presented.

### HOW IT WORKS:

- Art must be created between 9/4 and 9/30, 2018, and must depict sights found in Historic Manassas. (Maps provided online, and at the Visitor's Center.) Plein air painting is encouraged but not required; however, the top award will be for plein air works *only*.
- **Maximum size accepted:** 16x20" (frame opening size). No minimum size.
- Supports (canvas/paper/etc.) must be date stamped before you begin working on them. Date stamping will be at the Manassas Visitor's Center, 9431 West St. (inside the train depot), open 7 days a week, 9 to 5.
- You may have as many supports stamped as you like, as often as you like. You do not have to be registered before you get your supports stamped. However, registration must be *received* by September 30 in order for you to exhibit and be eligible for awards.
- Works will be exhibited at Grounds Central Station in October. You may submit *two* (2) finished works for exhibit and judging. Works will be juried for inclusion in the exhibit.
- All work must be suitably framed (see our framing guidelines on our website). We will be checking for date stamps, so please frame your work so the dates on the back are visible. Tips on our website.
- Cash awards will be presented during the Gallery Walk on November 2.
- p-ART-ners does not take a commission on sales. Grounds Central processes sales, and takes a 15% commission. Works do not have to be for sale, although that is preferred.
